**Weisler & Associates joins the Thomson Technology US Sales Team**

Weisler & Associates has joined Thomson Technology's Sales Team as the sales representative organization covering the sales territories of Missouri, Kansas, Nebraska, Iowa, and Illinois.

Weisler & Associates enters into a selling partnership with Thomson for the sale of electrical and electronic equipment in the areas of Power Systems, Electrical Components, and Telecommunications. They have been manufacturers representatives since 1957. With multiple offices in the Midwest and Texas, they will serve Thomson through one of their division offices in St. Louis, Missouri and one of their branch offices in Kansas City, Missouri. Weisler's combined 47 years of outside sales experience coupled with their 47 years of inside sales experience in both the St. Louis and Kansas City offices provide Thomson with many additional opportunities for growth in the markets we serve.

Please help me welcome Weisler & Associates to the Thomson Technology Sales organization. Feel free to visit their web site at <http://www.weisler.com>.
